

VACATION'R ROOM

- Fits traditional and 12V vinyl awnings with vertical arms.
- Made of durable, lightweight polyester material - the same material used for tents.
- Does not require hardware that is attached to the RV.
- No rafters to install.
- Allows awnings with an auto-dump feature to function correctly. When the awning folds to release water, the room folds with the awning. When the water is released, the room and awning returns to the extended position.

The VACATION'R fits on the following Carefree awnings:*

Manual Awnings:

- ◆ Spirit - Fiesta - Simplicity
- ◆ Pioneer

Motorized Awnings:
