

**TRAVEL'R**

**A Motorized, Fixed-Pitch Awning**

The Travel'r provides motorized awning comfort with Carefree's standards for looks, strength and dependability. It is the successful blend of style, quality and economy. Available in two fixed pitch models.

- The unique "scissor" style arms eliminate the need for vertical ground supports.
- Worm gear style motor is billow proof - eliminates the need for travel locks.
- Arm channels mount directly to the vehicle wall.
- Fabric is attached to the vehicle using a standard awning rail.
- The pre-wired motor cable is routed from the right arm, through the coach wall to the control switch.
- The control switch is wired into the vehicle's 12V system.
