

# MANUAL CRANK PATIO AWNING

- *Easy to use manual crank operation. No springs to deal with.*
- *No travel locks required. The manual crank gear mechanism securely holds the awning during travel - no billowing.*
- *When the awning is extended, the arms can be left on the RV or rotated down and placed in the carport position (vertical).*
- *The pitch can be set to optimize shade and rain run-off.*
- *Simple Installation.*
